

DRIVING RANGE AND PRACTICE GREENS RULES

- Tokens for driving range balls can be bought at the reception of the course.
- Players who use driving range, putting or chipping green, are required to pay the range fee. Members of Riverside golf Zagreb do not pay range fee. Also, players who paid a green fee or at least one token for that day, are not subject to payment of a range fee. The price of range fee is 50,00 kn.
- This golf course and clubhouse are soft spike facilities or adequate sneakers.
- When practicing on driving range or chipping green, please do not swing the club or hit the ball if anyone may be in danger. Keep a safe distance from people who practice, while walking behind the range bays.
- Practice on driving range or chipping green is allowed only between the marked practice bays.
- Don't go forward of the line of marked practice bays to collect balls. This is very dangerous.
- Please don't disturb other people practicing (loud commenting, using mobile phones etc.)
- Course does not accept responsibility for any equipment left on the driving range or in front of the clubhouse.
- Please return empty baskets by the range ball machine.
- After you finish your practice, please repair any damage to the grass on driving range, with a mixture of sand and seed prepared for that use.

ENJOY YOUR PRACTICE!
